

Marwell Zoo Trip

Year 1 & 2 had the most incredible day at Marwell Wildlife Zoo today. In Science, we have been learning about Animals including Humans. It was amazing to see so many wonderful animals and to be able to find out more information about them.

We thoroughly enjoyed our workshops, where we learnt so much. It was great to be able to ask an expert lots of questions and to find out so much about specific animals.

We are all excited to continue learning more about animals and their habitats in this term's Science topic.

We want to thank Marwell Zoo for such an amazing experience and for being so helpful.
